Donor Dam: Heartland Iberia-Force HLH 307N (FB), Sired by Diamond T G-Force GDS 75J

Donor Sire: Mustang (FB) (Austrian), sired by Multi
Comments: Since the Iberia embryos are no longer available, we have added Heartland Iberia-Force to the list of Heartland Ranch donor cows. She combines the depth, thickness and broodiness of Iberia with the refinement and femininity desired in a show heifer. Mustang adds outcross genetics to a proven cow family.
