2.To register an animal you will need to supply the following required information:

- Sex
- Birth Date
- Registration number of Sire and Dam
- Horn status
- Other information is optional

3. Your account will open in a work order indicated at the top left corner of the page. From the Actions tab, select User Animal Registration.

The screenshot displays the American Pinzgauer Association website interface. At the top center is the association's logo, which includes a silhouette of a cow and the text "AMERICAN PINZGAUER ASSOCIATION" and "THE BETTER BEEF BREED". Below the logo, the page shows a navigation bar with tabs for "Animals", "Membership", "Actions", and "Lists". The "Actions" tab is selected, and a red arrow points to the "User Animal Registration" link. The page also features a search bar, a "Log out" button, and a "Change password" button. The main content area displays a table of member information for Member ID 100, including details like "Membership Status: Active", "Latest Paid Dues Year", and "Last Paid Dues Year". The table also shows "Work Orders" and "Member CG" tabs. The page footer indicates "Details found: 5365" and "Page 1 of 5365 Records Per Page: 10".

4. Fill out the registration form. All required fields are marked with a red asterisk. Other information is optional.

Please note that a non-breeding animal can be registered as "Performance Only" or as a "Pedigree Drop-In." You may select these fields in the top right corner of the registration form.
